

# Newsletter

Well, the autumn term is well underway with mornings getting crisper and leaves beginning to fall. Hopefully those new to the school are getting into the routine of homework, even those not (!) and looking forward to school trips, Halloween discos and dare I mention the Christmas fair at this early stage?

The parent council AGM was held on 7th September this year and it was great to see so many new faces attending. There are lots of exciting new things on the agenda for this year and it is always refreshing to get new input and ideas. There was a request from the management team that following on from the success of last years business development group there will be three meetings scheduled throughout the year to collate feedback from parents and open a discussion re the following topics, French language, a Rights Respecting School workshop, PLPs and assessment procedures. The meetings will be held in the evening at 1915 at school, to accommodate working parents, on the following dates;

2nd November: French and Rights Respecting Schools  
22nd February: PLP  
10th May: Assessment procedures.

Anyone interested in attending those meeting can you please contact us via the Facebook page, website or leave a message with the front office and we can get back to you, thank you.

## COFFEE TIME

The first Friday of every month the parent council meet informally at PJ's to discuss the up and coming events and is a great opportunity for anyone who may not want to come to a school meeting to ask questions or get involved in any way they can. There is no pressure just coffee and sometimes even cake!

## HALLOWEEN PARTY
